Education

- PhD in Economic Geology, Damanhour University (2024).
- Master's degree in Hard Rocks & Geochemistry (2017).
- Bachelor in Geology, Alexandria University (2010).

Employment

Lecturer (2024)– Teaching, research, and academic supervision.

Assistant Lecturer (2017)– Geochemical & structural studies support.

Demonstrator (2011)– Teaching labs & geology training.

Published Research

- Geological & structural studies – Dara & Um Balad, NE Desert.
DOI: 10.21608/fsrt.2023.210738.1093
- Pan-African mafic–felsic suite evolution & IOCG mineralization.
DOI: 10.1007/s12517-023-11682-w

Field & Academic Activities

- Field trips: El Fayoum, Sinai, Red Sea (2008 - 2016).
- Mines field studies – Um Kola, Dara, Um Munjul, Um Balad (2013 - 2021).
- South Western Desert mining companies – Quseir, Aswan (2024 - 2025).

Training & Academic Courses

- Research Methods, Research Ethics, Communication Skills.
- Quality Teaching Standards, Presentation Skills.
- Time & Meeting Management, Credit Hour Systems.
- Reference Management Systems, International Databases.
- Biostatistics & Educational Technology.

Soft Skills

- Communication and Cooperation: Active listening, teamwork, relationship building.
- Problem Solving: Critical thinking, creativity, analysis, decision-making.

- Leadership and Management: Time management, organization, self-motivation, accountability, stress management.
- Flexibility and Adaptability: Ability to adapt to diverse technologies and teams.
- Work Ethics: Honesty, dedication, attention to detail.

Hard Skills

- Arabic: Native.
- English: Excellent (written & reading).
- Microsoft Office, ICDL, Windows.
- SPSS, Surfer, GIS, RockWorks, GCDkit.
- Excellent internet user.

Fields of Interest

- Economic Geology, Geochemistry, Mineral Exploration.
- Structural Geology, Petrography, Basement Rocks.
- Mass Balance Calculations.

Conferences Attended

- Geochemistry Conferences – Alexandria University (2009, 2011, 2013).
- Petroleum Environment & Development Conference (2016).
