### Current Position held:

1. Assistant prof of physics, Faculty of Science , Damanhur University, Damanhur, Egypt.
2. EGAC Assessor (successful passing of the international examination and accreditation as an EGAC Assessor by the Egyptian Accreditation Council (EGAC) for the evaluation of testing laboratories in accordance with the international standard ISO/IEC 17025.)
3. Consultant in Renewable Energy, Quality Management, Accreditation, and ISO Standards
4. Certified Trainer at the Center for Faculty Development and Leadership, Damanhour University

### Professional positions held:

11/3/2021 to present

Assistant prof. of physics, Faculty of science, Damanhour University, Damanhour, Egypt.

11/8/2011 to 11/3/2021

lecturer of physics, Faculty of science , Damanhour University, Damanhour, Egypt.

11/11/2007 to 11/8/2011

Assistant lecturer of physics, Faculty of science (Damanhour Branch), Alexandria University, Damanhour, Egypt.

04/23/2003 to 11/11/2007

Assistant lecturer of physics in physics and Chemistry Department, Faculty of education (Damanhour Branch), Alexandria University, Damanhour, Egypt.

10/01/1998 to 04/23/2003

Graduate researcher (demonstrator) of physics in physics and Chemistry Department, Faculty of education (Damanhour Branch), Alexandria University, Damanhour, Egypt.

## EDUCATION:

- Finished my M.Sc in physics in 2003 and it was about *"The Effects Of The External Affects And The Environmental Conditions On Some Polymer To Be Used In Practical Applications "*
- Completed my PhD in 2011 . It was entitled *"Investigation of electric and optical properties of some conducting polymer"*

## Research Topics:

- Preparation and characterization of polyaniline and polypyrrole chemically and electrochemically.
- Fabrication and characterization of Schottky diode and Schottky diode solar cell
- Fabrication of conducting polymer as rechargeable Batteries
- Fabrication of conducting polymer as electromagnetic shielding materials
- Application of conducting polymer as sensor and biosensor
- Some Experiments such as: X-ray Diffraction, Dielectric Constant of Materials
- Solar cell and Photoconductor, Activation Energy of Semiconductor

## EXPERIENCE:

1. EGAC Assessor (successful passing of the international examination and accreditation as an EGAC Assessor by the Egyptian Accreditation Council (EGAC) for the evaluation of testing laboratories in accordance with the international standard ISO/IEC 17025.)
2. Consultant in Renewable Energy, Quality Management, Accreditation, and ISO Standards
3. Certified Trainer at the Center for Faculty Development and Leadership, Damanhour University
4. Acting as Vice Dean for Community Service and Environmental Development, Faculty of Computers and Information, Damanhour University FROM 2022 TO 2024
5. Deputy Director of Quality Center at the University of Damanhur
6. Quality Manager for Central Laboratory for Water and Environment Technology in faculty of science from 2013 to 2023
7. Director of Quality unit Faculty of Science from 2020 to 2023

## 2- Administrative functions at the university

1. Deputy Director of the Quality Assurance and Accreditation Center, Damanhur University, 6/3/2016, to 6/3/2022
2. Member of the Board of Directors of the Center for Quality Assurance and Accreditation, Damanhur University, 28/1/2017
3. Quality Manager, Water and Environment Technology Laboratory, Faculty of Science, Damanhur University, March 2014
4. Member of the Board of Directors of the Central Laboratory for Water and Environmental Ecology 1/8/2016
5. Member of the Board of Directors of the Diploma Unit at Damanhur University, 11/3/2017
6. Member of the Board of Directors of Information Technology Center, Damanhur University, 1/8/2016
7. Chairman of the Strategic Planning Committee and follow-up performance evaluation University of Damanhur
8. Member of the board of the Measurement and Evaluation Center during the academic year 2014-2015
9. Administrative development officer of the administrative development system ISO 9001-2008 under the administration of Damanhur University
10. Member of the Board of Directors of the Quality Assurance Unit, Faculty of Science, Damanhur University, July 16, 2017. So far
11. A contact point at Damanhur University with the strategic planning and policy support unit with the Egyptian universities in the Ministry of Higher Education to review the strategy of higher education in Egypt
12. Member of the team to develop the strategic plan of the university

Self-assessment visit team and technical support from the Quality Assurance Centre at the University of Dmanhour to “-

7. Managing a research team on Wednesday 12-4.
8. ethics and professional conduct in university work on Tuesday, 8.2-2022
9. Quality standards in the educational process on Monday and Tuesday 8-9 February 2021
10. Intellectual property rights on Wednesday and Thursday, 13 - 14 January 2021
- 11.

### 3-Quality training courses

1. Attend the course of characterization of programs and courses and evaluate learning outcomes of colleges and institutes of higher education from the National Authority for Quality Assurance of Education and Accreditation during the period from 12/12/2017 to 14/12/2017.
2. Attend the self-assessment course for colleges and institutes of higher education from the National Authority to ensure the quality of education and accreditation during the period from 2/5/2017 to 4/5/2017
3. Attendance of the accreditation course of colleges and institutes of higher education, third edition July 2015 from the National Authority for Quality Assurance of Education and Accreditation on 29/5/2017
4. Attended (ToT ) course during the period from 31/3/2018 to 4/4/2018
5. Has passed ISO 9001-2015 cycle 8/10/2017
- 6- Attendance of the consolidated training programme for women candidates for leadership positions at universities from 25 to 27 April 2022  
The programme is conducted over a period of three days and training is provided on a range of important points, including:
  - Strategic planning
  - Institutional development in the sectors of education, students, postgraduate studies, community service, environmental development and international relations;
  - Financial, administrative and legal aspects of universities.
  - National issues and the fight against corruption.
  - Crisis and risk management.
  - Community universities (smart universities)
7. Attended several training courses for faculty members of the faculty development project at Alexandria University (FLDP)
  - Course "Preparation of a research project"
  - "Preparation and Dissemination of International Writing"
  - Course "Course Design"
  - "Effective Presentation Skills" course
  - Course "Decision-making and problem solving"
  - "Effective Communication Skills" course
  - Course "Ethics and Ethics"
  - "Thinking Skills"
  - Course "Modern trends in teaching
  - Time management and work pressure
  - Decision making and problem solving
  - Recent trends in teaching

#### 4-: quality workshops

- 1) Coordinated and conducted the training workshop for the strategic planning standard (third issue, July 2015) for the faculties of Damanhur University at the headquarters of the university administration on 4/2/2017.
- 2) Coordinated and conducted training in the workshop on quality management and development standard (third issue, July 2015) for the faculties of Damanhur University at the headquarters of the university administration on 10/2/2017.
- 3) Coordinated and conducted training in the workshop on the standard of scientific research and scientific activities (third edition July 2015) for the faculties of Damanhur University at the headquarters of the university on February 16, 2017.
- 4) Attendance as a reference to the standards in the workshops organized by the Quality Assurance Center at Damanhur University for all the quality assurance units of the university faculties at the university administration headquarters (the accreditation standards of colleges and institutes of higher education issued July 3rd, 2015 issued by the National Authority for Quality Assurance of Education and Accreditation) From 31/1/2017 to 16/2/2017
- 5) Regional Workshop on Participatory Development Guide, Delta Governorates, Cairo, 4 December 2016
- 6) Workshop to review the strategy of developing the higher education system until 2030 and the executive plan until 2022
- 7) Preparation and coordination of the first student meeting for the quality of education at the University of Damanhur under the auspices of Professor Dr. Obaid Saleh, President of Damanhur University
- 8) Participation in the fifth workshop to ensure the quality of education, the theme: the strategy of quality education and self-evaluation of educational institutions, December 2004. Faculty of Education Damanhour - Alexandria University.
- 9) Participation in a workshop(how to meet the standards of leadership and governance and teaching staff and associate staff) at the Quality Assurance and Accreditation Centre on Tuesday, 31 January, 2017  
<http://www.damanhour.edu.eg/QAAP/Pages/Page.aspx?id=5570>
- 10) Participation in a workshop(how to meet the standard of administrative machinery and financial resources) at the Quality Assurance and Accreditation Centre on Thursday, 2 February 2012,  
<http://www.damanhour.edu.eg/QAAP/Pages/Page.aspx?id=5570>
- 11) Participation in a workshop(how to meet the teaching and learning standard and the students ' and graduates ' standard) at the Quality Assurance and Accreditation Centre on Tuesday, 7 February, 2017  
<http://www.damanhour.edu.eg/QAAP/Pages/Page.aspx?id=5571>
- 12) Participation in a workshop at the Centre for Quality Assurance and Accreditation on Thursday, 9 February 2012, on how to meet the criteria for scientific research, scientific activities and postgraduate studies  
<http://www.damanhour.edu.eg/QAAP/Pages/Page.aspx?id=5572>
- 13) Participation in a workshop(how to meet the criteria of community participation, environmental development and strategic planning) at the Centre for Quality Assurance and Accreditation on Thursday, 14 February 2012,  
<http://www.damanhour.edu.eg/QAAP/Pages/Page.aspx?id=5573>
- 14) Participation in a workshop(how to meet the academic standards, educational programmes and quality management and development standards) at the Quality Assurance and Accreditation Centre on Thursday, 16 February 2012,

## 5-: Courses related to ISO

- (1) Quality Control ((for the competency of testing laboratories) conducted by Progress and held at the Faculty of Science, University of Damanhur from 18/10/2014 to 23/10/2014
- (2) The Quality Assurance Program (for the competency of testing laboratories) conducted by Progress and held at the Faculty of Science, Damanhur University, from 27/10/2014 to 30/10/2014.
- (3) Iso 17025 IEC-2005  
(General requirements for the competency of testing and calibration laboratories carried out by Progress and held at the Faculty of Science, University of Damanhur from 11/11/2014 to 13/11/2014
- (4) Course for Validation by the Progress Company, held at the Faculty of Science, Damanhur University, from 18/11/2014 to 20/11/2014.
- (5) Course (Internal Audit & Management) for the competency of testing laboratories carried out by Progress and held at the Faculty of Science, University of Damanhur from 9/12/2014 to 11/12/2014
- (6) Uncertainty course carried out by Progress and held at the Faculty of Science, University of Damanhour from 23/12/2014 to 25/12/2014
- (7) Attend the 100-hour training program for Ultra Chromatography Company on ICS.5000 for operation, calibration and troubleshooting of the device

## 6-: Training programs participating in training:

- (1) the training program} effective questions and cooperative learning strategy and strategies for games and role-playing for the training of teachers (teacher and teacher of the first stage preparatory) professional academy for teachers in the lake (from October 1, 2011 to January 1012)
- (2) Training Program (a) Leadership and Change (b) Management Skills and Effective Leadership (c) Management Tasks {for Teacher Training (expert preparation) at the Professional Academy for Teachers in Lake (1st October 2011 - January 2006)
- (3) The training program for teachers training (first teacher + teacher of primary expert) in the professional academy for teachers in the lake (from October 1st 2011 to January 2006)
- (4) The training program for teachers training (teacher + primary teacher) in the professional academy for teachers in the lake (from October 1st 2011 to January 2006)
- (5) Training program for the facilitation of girl-friendly school facilitators in Beheira, Giza, Fayoum, Beni Suef, Minia, Assiut, Sohag. Under the supervision of the National Council for Childhood and Motherhood (Girlhood Education Initiative).
- (6) training program for training of teachers in service at the level of agents and principals under the supervision of the departments of improving education in partnership with the World Bank, Faculty of Education Damanhour 2002.
- (7) Training courses and workshops for workers in the youth centers in Beheira governorate under the supervision of the Directorate of Youth and Sports in the lake.
- (8) the training program for teachers working literacy classes and adult education under the supervision of the Ministry of Education.
- (9) Training sessions for teachers of one-semester schools at the Center for Education and Rehabilitation of UNESCO in Sars El-Leyan city, Menoufia (1998).
- (10) refresher courses in Cairo, Fayoum and Menia to train trainers of girls friendly schools TOT.
- (11) Participation in the fifth workshop to ensure the quality of education, theme: the strategy of quality education and self-evaluation of educational institutions, December 2004. Faculty of Education Damanhour - Alexandria University.
- (12) participatory planning course to educate rural communities on the importance of planning problems and how to reach solutions.
- (13) Training course for the training of primary school teachers on how to identify gifted students at the main training center in the lake from 3-10 / 8/2008. Under the supervision of the Ministry of Education.
- (14) Training course for improving education for the rehabilitation of schools in the lake of quality and accreditation in the Faculty of Education in Damanhour from 2-23 / 8/2008. Under the supervision of the National Authority for Quality Assurance and Accreditation.

- (15) Participating in the tests conducted by the Ministry of Education for teachers for housing staff at the Faculty of Education Damanhour from 24-28 / 8/2008.
- (16) Member of the Board of Directors of the Quality Assurance Unit at the College.
- (17) Member of the Training and Awareness Committee of the Quality Assurance Unit at the College.
- (18) The official scientific research committee at the college.
- (19) Member of the Executive Team of the project to develop the systems of assessment of students and examinations at the Faculty of Science - University of Damanhour.
- (20) Participation in meetings, seminars and workshops held by the Quality Assurance Unit, Faculty of Science, Damanhour University.
- (21) Training course on the role of youth centers in the fight against violence and crime in the governorate of Beheira from 10-14 / 5/2009 at the Directorate of Youth and Sports (Department of Civil Education and Youth Leadership) in the lake.

#### Conference:

1. XLIII International Conference on Physics of Charged Particle Interactions with Crystal May 29-31 2012, Moscow, Russia
2. Participating in the introductory symposium on The Arab International Conference in Recent Advances in Physics and Materials Science , which was organized by Physics Department, Faculty of Science Alexandria University and The Egyptian Society of physics September 18-20, 2005
3. Participating in The 8th Arab International conference on Materials Science (Materials for Energy Applications) which was organized by The Egyptian Society of physics Alexandria, Egypt, 18-20 April 2004
4. Participating in The 6th Arab International conference on Materials Science (Plastics Materials for Agriculture Applications) which was organized by The Egyptian Society of physics Alexandria, Egypt, 19-22 November 2000

### As a research supervisor

I have supervised MSc students working in the areas of solar cell and sensor using nano particles

Teaching Courses as follows:

I have been teaching physics and Biophysics courses at: the College of Science, College of Pharmacy, College of Nursing, College of Dentistry and College of education  
Taught introductory physics labs, and Graded lab assignments, homework problems, and tests. Structures and Properties of Matter General Physics Lab I, II, III and IV

Student Consultant, Computer Center, Helped students use the available computer systems to do their assignments and, was the computer operator during the weekends. Computer Science Tutor

Appointment in the Faculty of Science at the beginning of its establishment, allowed me to Participate in designing and establishing the science labs in the faculty , teaching experiences at different colleges developed my communication skills at all levels and allow me to work in a team work .

## **Manifestations of scientific and national appreciation:**

### **Awards he received:**

- 1) A certificate of appreciation from the innovators support fund for excellent training sessions during Egyptian start up Olympics programmer 13 July 2024
- 2) Certificate of Appreciation from the Quality Assurance Center at Damanhur University for excellence in the field of enhancing the culture of quality and its procedures and mechanisms to achieve it for the academic year 2018-2019
- 3) Certificate of Appreciation from the Quality Assurance Center at Damanhur University for organizing and participating effectively in the first conference on quality "the role of the student in the quality of education" on Tuesday 4/4/2017 at the Quality Assurance Center at Damanhur University
- 4) A certificate of appreciation from the Faculty of Computers and Information for his efforts over two years from 2021/2022 and 2022/2023 during his tenure as the College Agency for Community Service and Environmental Development Affairs, Damanhour University
- 5) A benefit from the Faculty of Computers and Information for his sincere efforts and fruitful cooperation in awareness workshops on constitutional entitlements and performing national duty in the presidential elections during the academic year 2023/2024
- 6) A benefit from the Faculty of Computers and Information for his sincere efforts and fruitful cooperation in awareness workshops on the new republic and the future of youth during the academic year 2023/2024
- 7) A benefit from the Faculty of Computers and Information for his sincere efforts and fruitful cooperation in workshops on the University Student Charter during the academic year 2023/2024
- 8) A benefit from the Faculty of Computers and Information for his work in professional development and capacity building courses for faculty members and their assistants At the Faculty of Computers and Information during the training meeting entitled (Quality Standards in the Educational Process on August 19, 2023)
- 9) A statement from the Faculty of Computers and Information for its sincere efforts in preparing the Graduates Unit Guide and the Academic Guidance Guide for Students during the academic year 2023/2024
- 10) A statement from the Faculty of Computers and Information for its workshops to raise students' awareness of the dangers of destructive ideas during the academic year 2023/2024
- 11) A certificate of appreciation from the Egyptian Public Library for its effective participation in the Egyptian State Achievements Symposium (A Tale of a Nation) 2023
- 12) A certificate of appreciation from Damanhour University for the distinguished community contribution to the public service campaign with the constitutional amendments 2019
- 13) A certificate of appreciation from the Center for Developing the Capacities of Faculty Members and Leaders at Damanhour University for its sincere efforts and fruitful cooperation in the center's activities in training the Academic Program Accreditation Program during the year 2018
- 14) Certificate of Appreciation from Damanhour University for participating in organizing the Second International Climate and Water Forum (Scientific Research and Sustainable Development of Water Resources in Egypt) Damanhour University 23-24 November 2016
- 15) Certificate of Appreciation from the Syndicate of Scientific Professions for his pioneering role and dedication to his work
- 16) Certificate of Appreciation from Damanhour University for participating in organizing the Second International Climate and Water Forum (Scientific Research and Sustainable Development of Water Resources in Egypt) Damanhour University 23-24 November 2016
- 17) Certificate from Damanhour University for passing a course entitled Integrated E-Learning Skills
- 18) Certificate of Appreciation from the Egyptian General Book Authority and the Book Fair Committee (Damanhour Second Book Fair from 9-19 March 2017) for participating in the exhibition and supervising the university's creativity within the exhibition
- 19) Certificate of Appreciation from the General Administration of Youth Care at Damanhour University for the distinguished efforts as an advisor to the university's scientific committee

- 20) Certificate of Appreciation from the Quality Center at Damanhour University for the efforts made For college visits and quality unit reviews
- 21) Certificate of appreciation from the Beheira Science Syndicate on the Beheira Science Day
- 22) Award of appreciation from the Social Affairs Directorate for the role of the Talae'a Al-Tanmeya Association in training nursery teachers for social affairs, Rashid Center for effective learning and the use of technology in teaching and the production of educational tools in 2010
- 23) Award of appreciation for the activity of the Science Club in Beheira Governorate in 2009
- 24) Award of appreciation for the activity of the Science Club at Al-Ahram Science Clubs in 2007
- 25) Certificate of Appreciation from Damanhur University for participating in organizing the second international forum for climate and water (scientific research and sustainable development of water resources in Egypt) Damanhur University 23-24 November 2016
- 26) Certificate of Appreciation from Damanhour University Quality Assurance Center for the efforts made in the combined workshop on quality standards for all quality units at the university's colleges during the period from 01/31/2017 to 2/16/2017
- 27) Certificate of Appreciation from the Quality Assurance Center at Damanhur University for organizing and participating effectively in the second conference on quality "Towards an Innovative and Innovative Generation" on Wednesday 18/12/2019 at the Quality Center at Damanhur University
